

be charged a discounted fee. If you wish to be put on our mailing list so that you can be advised of future events please contact <u>Jessica Turner</u> (or tel: 0116 207 8306).

On Thursday 15th September 2016, members of the <u>Reproduction Research Group</u> hosted a session 'Social Studies of Reproduction: techniques, methods and reflexive moments' at the 9th International Conference on Social Science Methodology at The University of Leicester. The session aimed to identify significant epistemological and methodological
